Step 2

Type information in the “Charity” or “Located Near” box or select from the dropdown list in **one** of the below search categories.

The screenshot shows the 'Find A Charity' search interface. At the top, there is a logo for 'show Some Love' and a slogan: 'You can make a difference — Donate Today!'. Below this, the heading 'Find A Charity' is followed by the instruction: 'Your search can be very specific or broad — fill in any of the search criteria below.' The form is divided into two columns: 'Charity' and 'Located Near'. The 'Charity' column includes a text input field for 'Enter Name, CFC #, EIN, or Keyword', a dropdown menu for 'Select A Specific Category' (currently set to 'All Categories'), a dropdown menu for 'Select an Administrative Fundraising Rate' (currently set to 'Any Rate'), and a checkbox for 'Volunteer Opportunities Available'. The 'Located Near' column includes a text input field for 'Enter City or State or ZIP Code', a dropdown menu for 'Select A Specific Zone' (currently set to 'All Zones'), a checkbox for 'FSYP or FSYA or MWR', and a dropdown menu for 'Select Military Installation'. At the bottom of the form are two buttons: 'Reset' and 'Search For Charities'. Two callout boxes provide additional instructions: one points to the search criteria section, stating 'Entering information in more than one of the categories will limit the results returned in your search.'; the other points to the 'Select Military Installation' dropdown, stating 'If your military installation is not available, search by your City, State or Zip in the “Located Near” Category.'
