## DoD CIVILIAN PERSONNEL

Unfortunately, the full unit list was not loaded to this system for civilian payroll allotments, so you will not be able to select your unit if you choose to give a payroll allotment. To proceed with an online payroll pledge, choose your branch of service for **Your Department** using the DoD selections (i.e. DoD – Department of the Air Force). Then choose the appropriate payroll office under **Your Agency**. Finally, select “other” under **Your Office**.

To credit your unit with your pledge, consider making a pledge using a credit card, debit card, or bank account this year. In this case, you can use the selections for Active Duty personnel outlined above to select your unit and then proceed with your recurring or onetime pledge.
