

Show Some Love Day Nov. 2

Are you passionate about disaster relief, veterans services, animal rights, medical research, or another great cause supported by the CFC? Behind each chosen cause is a story, and by sharing these personal stories, we create a deeper connection with each other, participating charities, and those that benefit from our CFC contributions. Choose your cause and *Show Some Love* by sharing why it's important to you!

How to get involved:

- ✔ Share your cause by wearing a cause-related shirt, ribbon, or pin, or get creative and put together an entire cause-themed outfit. Go one step further and plan an office or departmental costume contest or charity fashion show!
- ✔ Fill out a cause board and post a cause selfie on social media using #ShowSomeLoveCFC. Then, display the cause board in your workspace or on your office's cause wall to inspire others to participate in the campaign.
- ✔ Tell your CFC story to inspire others to participate in the campaign. Share the reasons you support your cause and why giving through the CFC is important to you – make it personal!

Choose your cause and *Show Some Love* today.
